As part of your benefits package, you had the chance to sign up for an Aflac plan. Your plan helps with expenses health insurance doesn't cover, and benefits can be used in any way you want – whether that's to pay unexpected medical bills or everyday living expenses.

Aflac wants to put money into your pocket by encouraging you to file a wellness/health screening claim. After all, your plan provides a once-yearly benefit for proactively managing your health with a COVID-19 or antibody test, physical, immunization, eye exam, mammogram, pap smear, prostate screening **or** another covered exam.

If you've previously filed an Aflac claim, simply follow the process you've used in the past to receive your benefits. Or, you can visit www.aflacgroupinsurance.com to submit your claim online.

This is a brief product overview only. The plan has limitations and exclusions that affect benefits payable. Refer to your plan for complete details.
